JESPY House
102 Prospect Street
South Orange, New Jersey 07079

Dear Friends,

It is an honor to extend my warmest greetings and congratulations as you gather to celebrate the groundbreaking of The JESPY Center.

Since 1978, JESPY House has been a beacon of support and community for New Jerseyans affected by intellectual and developmental disabilities. From providing a variety of vital resources to hosting many community events, JESPY House continues to meet the needs of residents, families, and communities that rely on its services. With the opening of the new JESPY Center, JESPY House can continue its critical mission to empower individuals with intellectual and developmental disabilities to reach their full potential and enable New Jerseyans to pursue their dreams.

Again, congratulations! I wish you a memorable event, and I look forward to celebrating your continued success.

Sincerely,
