

THE FOUNDER OF IMPACT CONSULTING CHERYL MCCANTS, CEO

Cheryl: “Hi, I’m Cheryl McCants, the founder and CEO of Impact Consulting Enterprises. We love working with JESPY clients. In fact, Roger, our copyeditor, copywriter, and social media content creator, is a fabulous addition to the team.”

“He is the one that always reminds us of things that we’ve missed, keeps us on track, and is a phenomenal contributor to the team. So we are super excited to have a JESPY House client working with us and we suggest that you do the same too.”
