GOVERNOR

June 1, 2025

Dear Friends,

It is with great pleasure that I welcome everyone in attendance at the groundbreaking ceremony and celebration of The JESPY Center on the Cooperman Family Campus.

Since its inception, the JESPY House has stood by its mission and has been committed to providing adults with learning and developmental disabilities with a well-rounded program of support services. With innovative vocational and residential programs, support services, and steadfast advocacy, the staff and volunteers of JESPY House are dedicated to making a difference in the lives of countless individuals and their families. The JESPY Center will provide adults with Intellectual and Developmental Disabilities fully accessible residential opportunities to age in place and affordably priced residential opportunities, as well as accessible programmatic areas for the benefit of all JESPY House Clients.

On behalf of the State of New Jersey, I am proud to commend JESPY House for all that it has done, and continues to do, to make our State stronger and fairer. Congratulations on this new Center and best wishes to all for a memorable event and continued success.

My very best,
