

A JESPY FAMILY SHARES THEIR JOURNEY Yvette and Passion Cottingham

Yvette: “JESPY has been a great inspiration for me and Passion. JESPY has done exceptional things for us in our lives and it has changed me as a parent and my daughter as a client. Passion, you can express how you love JESPY.”

Passion: “I love JESPY because I met new friends and JESPY became a good part of my life. The way JESPY has changed my life is that it taught me how to be independent by using Access Link to get to different places.
